

FOR REAL ESTATE AGENTS

The Essential AI Toolkit.

Five tools. Everything you need.

The five tools the Always-On Agent System runs on. **Four are free.** Set them up once and you have an engine that turns every blog post into a new AI citation.

Google Business Profile FREE

Your GEO foundation. The first place AI looks when it builds a profile of you.

business.google.com

Claude Pro PRO

Writes your GEO blog content in minutes. Trained on your voice, your market, your specialty.

claude.ai

GitHub FREE

Hosts and versions your GEO blog. No coding required once it is set up.

github.com

Netlify FREE

Publishes your blog live instantly. Every post becomes a new AI citation opportunity.

netlify.com

AI Visibility Audit FREE

Run a baseline audit to see exactly how AI sees you in your market. Know where you stand before you optimize.
